# Innovation to meet your needs

## Continental Office Equipment & Systems

For over 40 years, COES has been offering its customers, among other products, the latest in office equipment technology from Japan (TOSHIBA copiers & faxes), large automated filing systems (KARDEX Remstar), paper shredding solutions (HSM), and fire-resistant document safes (Eagle Safes).

COES is continuously developing its expertise in office technology and is focused at providing its customers with the necessary tools to keep their business well ahead in office automation. Our focus is on Office Equipment and Systems Managed Print Services

During Covid-19 pandemic situation, Continental has been able to adapt to the changes that have occurred in the world and the market demands.

Therefore, Continental has started to provide some new office solutions, in order to help small, medium and large enterprises in carrying out their work with high efficiency, even if this achievement was remotely. Where it introduced (ROSSS), which provides storage solutions to suit all sectors, (BONSAll) to provided paper shredding machines that fit for home or small and medium office use. In addition to (TACT) device that converts any display area into an interactive screen with by a pen.
