Solution Overview

kardexremstar

authorized distributor

If you want to store any kind of physical item, a space-saving, reliable and efficient storage and retrieval solution can reduce man hours and storage costs — whether operated automatically or by hand. We offer four solutions, Vertical Carousel, Mobile Shelving, Times Two, and Fire & Burglar Protection.

GOLDLINE  **PONY**  **Speed Queen**  **DANUBE**

We work with reliable international brands to deliver durable machines, practical capacity options, and solutions suitable for different business needs. From equipment supply to installation guidance and after-sales support, COES helps customers improve laundry productivity, reduce operational downtime, and maintain consistent washing and finishing quality.

G&G printers offer smart, reliable, and budget-friendly printing solutions for everyday business needs. Designed for efficiency and ease of use, they deliver sharp print quality, stable performance, and low operating costs—making them a practical choice for offices that value productivity and value for money.

Document Management Solutions

Powered by **Dokmee** are a premium platform for managing digital documents, including electronic forms, file cabinets, and automated workflow processes. Separate from our scanning and archiving services, this solution enables secure storage, OCR-based search, access control, and efficient document handling to enhance productivity and organization.
